

Mega Garlic Plus

A high-quality garlic supplement for cardiovascular health.*

Key Benefits

- Supports healthy circulation and a healthy heart.*
- Provides antioxidant protection your body needs.*
- Contains the equivalent of one whole clove of garlic.

Taking Nutrition to Heart™

Mega Garlic Plus is a high-quality garlic supplement to help improve cardiovascular health.* This potent formula contains an exceptionally high grade of garlic—the equivalent of one whole clove—and provides the antioxidant protection your body needs.*

Mega Garlic Plus is enteric-coated to release active ingredients after the tablet has passed through the stomach for full absorption.*

Fast Facts

- Exclusively endorsed by Nobel Laureate in Medicine, Dr. Lou Ignarro.**
- Garlic provides support for maintaining healthy LDL cholesterol and triglyceride levels that are already within a normal range.*
- Garlic supports and enhances your body's immune function.*
- Mega Garlic Plus supports healthy circulation and a healthy heart.*

Suggested Usage

Take one tablet per day with a meal. Also found in the Garden 7™ phytonutrient supplement.
