

# Improved Herbalifeline®

An Omega-3 supplement for cardiovascular and joint health.\*

## Key Benefits

- Helps maintain healthy cholesterol and triglyceride levels that are already within a normal range.\*
- Contains EPA and DHA Omega-3 fatty acids.
- Omega-3 fatty acids help reduce joint discomfort.\*
- Consumption of Omega-3 fatty acids may reduce the risk of coronary heart disease.†

† FDA evaluated the data and determined that although there is scientific evidence supporting the claim, the evidence is not conclusive.

## Taking Nutrition to Heart™

Many diets lack sufficient essential fatty acids, especially the important Omega-3 fatty acids. With its exclusive blend of highly refined marine lipids containing eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA), Herbalifeline® is an excellent way to supplement your daily intake of Omega-3 fatty acids.

## Fast Facts

- Exclusively endorsed by Nobel Laureate in Medicine, Dr. Lou Ignarro.\*\*
- With 50% more fish oil per softgel, now take just 2 to 3 softgels per day.
- Low-reflux formula minimizes fish-oil taste during digestion.
- Essential oils of thyme, peppermint and clove keep oils fresh and improve digestibility.
- Includes antioxidant vitamin E.

## Suggested usage

Take one softgel two to three times a day, preferably with meals.
