

Skin Activator® Eye Cream

A RICH, AGE-DEFYING GEL-CREAM FOR THE DELICATE SKIN AROUND THE EYES.

Skin Activator® Eye Cream is an ultra-rich cream that firms skin around the eyes creating a youthful-looking "lift." Skin around the eyes contains no oil glands so it's especially prone to dehydration and premature lines and wrinkles. The non-acid Glucosamine Complex provides gentle, effective protection and correction for this delicate skin. Renew and reveal more youthful-looking skin around the eyes.

KEY BENEFITS

- Minimizes the appearance of fine lines and wrinkles.*
- Collagen-building Glucosamine Complex aids hydration and firms skin.*
- Visibly increases luminosity and clarity and improves skin smoothness.*
- Improves weak and damaged skin cells.
- For men and women.
- Perfect for all skin types.
