

NouriFusion™ MultiVitamin Night Cream

PROVIDES LONG-LASTING MOISTURIZATION

KEY BENEFITS

- Nighttime moisturizer supports skin renewal
- Provides vitamins and nutrients for healthy-looking skin
- Hydrates while you sleep

Skin cells replace themselves faster than any other cells in the body, and do most of their self-repair at night. NouriFusion™ MultiVitamin Night Cream contains the ingredients your body needs to maintain healthy skin renewal. Rich yet light in texture, MultiVitamin Night Cream provides skin with long-lasting moisturization. Apply it every night and awaken to soft, supple skin each morning.

Vitamins play a key role helping the body develop and maintain healthy-looking skin. Formulated with skin-enhancing antioxidant vitamins A, C and E, MultiVitamin Night Cream provides basic nutrition for your skin.

DISCUSSION POINTS

- ACE for your face: MultiVitamin Night Cream is made with antioxidant vitamins A, C and E.
- Hydrolite 5: Ingredient that acts as an excellent skin moisturizer.
- Pheohydrane P: Derived from a marine source, this ingredient provides long-lasting moisturization.
- Sunflower seed oil: Light oil containing vitamins A and E.
- Combine with other products: MultiVitamin Night Cream can be used with all other NouriFusion™ MultiVitamin skin care products.
- Use NouriFusion™ MultiVitamin Moisturizer SPF 15 during the day, then use MultiVitamin Night Cream to moisturize before bed.

DID YOU KNOW?

The peak hours for skin cell reproduction actually occur while you are sleeping. During the early morning hours, your body repairs the damage that was done during the day. Take advantage of your body's built-in repair schedule by using MultiVitamin Night Cream every night before bed.

FAST FACTS

- Lightweight face cream provides long-term moisturization.
- Hydrates while you sleep, so you awaken to soft, supple skin.
- Suitable for all skin types.
