

NouriFusion™ MultiVitamin Eye Cream

RICH MOISTURE FOR DELICATE EYE AREA

KEY BENEFITS

- Rich emollient formula softens skin
- Helps increase skin firmness around the eyes
- No greasy after-feel

NouriFusion™ MultiVitamin Eye Cream softens and moisturizes the delicate skin around the eye area. Used daily, this rich, emollient eye cream can help improve the appearance of fine lines and wrinkles, one of the earliest signs of aging.

Vitamins play a key role in helping the body develop and maintain healthy-looking skin. Formulated with skin-enhancing antioxidant vitamins A, C and E, MultiVitamin Eye Cream provides basic nutrition for your skin.

DISCUSSION POINTS

- ACE for your face: MultiVitamin Eye Cream is made with antioxidant vitamins A, C and E.
- Day and night: Eye cream can be applied in the morning, underneath make-up, and at night. Use daily for best results.
- No greasy after-feel: Rich, emollient formula leaves skin moist but not greasy. Perfect for bedtime use, when cells work hardest to repair skin damage.
- Combine with other products: MultiVitamin Eye Cream can be used with all other NouriFusion™ MultiVitamin skin care products.
- Try using NouriFusion™ MultiVitamin Eye Gel during the day for light moisture, then switch to the Eye Cream's richer formula for nighttime use.

DID YOU KNOW?

The eye area is one of the first to show signs of aging. That's because the delicate skin around the eyes contains almost no oil or sweat glands. As a result, this area of the face is especially prone to dryness. Keeping the skin around the eyes adequately moisturized is one of the best things you can do to maintain a vibrant, youthful appearance.

FAST FACTS

- Softens and moisturizes delicate skin around the eyes.
- Helps improve the appearance of fine lines and wrinkles.
- Suitable for all skin types.
